O R D E R

On March 28, 1988, Southern Madison Water District filed a tariff with the Commission proposing to increase its meter installation and connection charge from \$225 to \$300 and to establish a returned check fee of \$10.

According to the filed tariff sheets, the proposed tariff became effective on March 15, 1988. As KRS 278.180 requires a utility to provide the Commission with 30 days notice prior to the changed rates being placed into effect, the effective date of this tariff is April 27, 1988.

The Commission is of the opinion and finds that further proceedings are necessary to determine the reasonableness of the proposed charges and that such proceedings cannot be completed prior to the effective date of the tariff.

IT IS THEREFORE ORDERED that:

1. The proposed tariff be and it hereby is suspended for 5 months from the date of this Order. The page of the tariff hereby suspended is First Revised Sheet No. 3.

2. Nothing in this Order shall prevent the Commission from entering a final decision in this case prior to the termination of the suspension period.
